## KEY

	Wisdom
	Courage
	Honor
	Justice
	Moderation
	Transcendence

\* These 7 *Middot*, or character traits, are keys to success, according to Paul Tough in his book, *How Children Succeed*.

Jewish ethics are based on the idea that we are created in the Divine image. The Kabbalah imagined that *HaShem* is revealed in a number of attributes, or *sfirot*, which correspond to our highest aspirations for human character.

∞ The highest *sfirah*, attribute, not understood in a human context.
